

Raising Dough for Kids 2017!

1988 was the year Greg Davis and his team at Pizza Hut began “raising dough” with the 1st street basketball tournament to hit the streets of downtown Erie. Since then over \$425,000.00 has been raised and distributed to local children’s charities. Last year’s tournament raised \$14,100.00 for TREC - Therapeutic Riding Equestrian Center and we couldn’t do it without you.

With your help and support, children throughout Pennsylvania have benefitted from services and funding provided by the monies raised ~ and We Thank You.

Please join us once again at our Annual Charity Golf Tournament where good friends, have great fun, delicious food and support a great local charity! TREC - Therapeutic Riding Equestrian Center has been chosen at the 2017 local non-profit to benefit from the days proceeds.

FEDERAL HILL SMOKEHOUSE a new local small business will be joining us this year and providing our tournament dinner.

The tournament sells out quickly so get your registration in early to ensure your team’s placement at this signature community event!
