

### **Erie FCU continues Year of Giving Back**

In celebration of its 80<sup>th</sup> anniversary, the Erie Federal Credit Union is participating in a Year of Giving Back. Each month, a \$1,080 donation is given to a charitable organization that has been an integral part of its 80-year history. The most recent donation went to the Therapeutic Riding Equestrian Center in Fairview. The donation will allow five students to enjoy the companionship of a horse at the TREC Academy of Equine Therapy. On hand for the check presentation were, from left, Erie FCU CEO Brian Waugaman; Betty Rositer, executive director, TREC; Kristen Hepler; Kimberly Danylko; Austin Howe and Eric Hartman.
